Our story

In 1604 the Minster (Cathedral) was granted a new charter by King James I, adding a dean and six canons, one of whom was to reside in Ripon. The Old Deanery was the home to the Dean of Ripon until, it appears, at the end of World War II.

The Old Deanery nowadays is an award-winning hotel, bar & restaurant, housing 11 bespoke bedrooms found by ascending the original and stunning 17th century oak staircase. Sitting in the shadow of the magnificent Ripon Cathedral, the location, history and hospitality attracts weddings, events & conferences year-round.
